To Whom It May Concern,

### **UTC Warrington Transport Offer for Wigan UTC Students**

I am happy to confirm that UTC Warrington will offer free transport to those students wishing to transfer from Wigan UTC in the academic year 2019/2020.

As part of this offer, it is proposed that students will be picked up from Wigan Bus Station with an additional pick up en route to Warrington and in consultation with parents. The bus will return on the same route after the college day has finished.

This offer will be made available for students until the end of their current Key Stage. If students who complete their Year 11 studies with us wish to continue into the sixth form we will continue this service, though this may incur a small financial contribution which may be reduced by the use of the 16-19 Bursary Fund.

In order to make the minibus service viable, it is proposed that the minimum number of students per vehicle is 10 and a maximum total of 48 students.

For existing Year 12 students, we will seek to utilise the 16-19 Bursary Fund to support transport arrangements between the following locations:

- Rail travel between Wigan North Western and Warrington Bank Quay;
- Arriva bus travel between Warrington Interchange and Wigan Bus Station;
- Warrington bus travel between Warrington Interchange and Leigh Bus Station.

Individual transport requirements will be assessed and additional arrangements to the above will be supplied if necessary. If existing Year 10 students are eligible for Pupil Premium, we will also assess transport arrangements if required.

If you have any questions, please do not hesitate to contact the college on 01925 737067 or [info@utcw.co.uk](mailto:info@utcw.co.uk).

Yours Faithfully

Mr Lee Barber
